40-minute Stroll Course from Hotel New Wakasa!!  
Early morning or sunset when you're surrounded by quietness.

Here comes **Our recommendation course** to enjoy in Nara ♪♪♪ (^\_^\*)

Just have a try!!

Let's meet those cute deer and appreciate the unique charm of the world heritage-Todaiji!!

## ★Information①

The inside of the big Buddha of Todaiji.

There is a square hole in the pillar on your right.

It's the same size as the hole of the nose of the big Buddha. \ (^o^ ) /

There is a legend of becoming smart when passing under the hole!!!!

You'll see deer taking a rest in **Koudouseki**.

Which is a good spot rarely known by people ♪

Shyoso

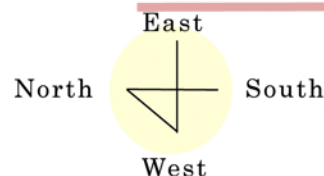

You can visit only externals of **Shyosoin** on weekdays (From 10am~3pm)

It feels like slipping into a different era when you peek from the pillars around the temple on weekays

★Information② All leaves in Nara park has all height over 2m.... Do you know why??

Because the deer eat them!! We call it the "Deer line"

It's spectacle which can only be seen in Nara park!! (\*\_\*)

Turn around while walking down the pathway(Urasandou)  
You'll have a taste of a beautiful different **Nigatudo**.

Nigatudo
